Due to circumstances beyond our control at the golf course, we have been forced to change the date of our golf outing. West Deer Emergency Medical Service will be hosting its First Annual Golf Outing on September 27, 2019. Due to the increasing cost of medical equipment and the decreasing amount of reimbursements received from insurance companies, we are looking for different ways to raise funds for much needed equipment and supplies. All proceeds from the outing will go toward the purchase of supplies and equipment.

To make our golf outing successful, we are looking to the community for support. During our outing, we will have door prizes available for the players to win after completing their round of golf. If you would be willing to donate an item as a door prize, or you would like to make a monetary donation for the purchase of door prizes, it would help us create a successful outing that we can continue to offer for many years to come.

In addition to door prizes, we are also looking for individuals or businesses that would like to be a hole sponsor. As a hole sponsor, a sign with your name would be placed at each hole that you sponsored with contact information for your business. Please see the following price list if you would like to sponsor a hole or multiple holes.

- 1 Hole - \$75
- 2 Holes - \$140
- 3 Holes - \$200

Checks can be made payable to West Deer EMS. In the memo section of the check please identify either "Hole Sponsor" or "Door Prize". Checks can be mailed to:

With your support, we can continue to provide the best care possible to the residents and businesses of West Deer Township!

Please do not hesitate to contact me if you have any questions. Please see the enclosed flyer for more information about the golf outing. Thank you for your consideration!
